

Georgia Figure Skating Club
October 7, 2006 Board Meeting Minutes
(approved Nov 11, 2006)

Attendees

Rob Lichtefeld, President
Ben Loggins, Treasurer

Marianne Campbell, Secretary

- Meeting called to order at 9:20 a.m.
- Due to a lack of a quorum, approval of minutes will be delayed until the next meeting.
- Treasurer's Report: We have more assets than liabilities. Please remember to label deposits and checks.
- Rink Report – Duluth: Cece. Cece was unable to attend the meeting, but sent her report. Numbers are up for club ice, with 16-23 on Friday and many of them are younger new members. The rink has started planning the Christmas show. The rink is having a Halloween carnival on Friday, Oct. 27, during the public session from 4-5:30. They will have booths, games, prizes, and costume contests. We are working on having a consignment sale, but are waiting on approval. She'll send information out once Sherry and Maureen get the information to her.
- Rink Report – Town Center: Marianne. The all-night-skate-a-thon is November 3, from midnight until 6 a.m. The proceeds will go to the American Cancer Society in memory of Ricardo Pena. The Christmas show will be December 17. More details will follow.

- 2008 Synch Nationals. The application has been submitted. The proposed dates are February 19-23, 2008. We are waiting to hear back.
- Peach. We made a small profit. Our numbers were lower this year than in the past. Rob sent an e-mail to past competitors with a survey as to why they were unable to attend this year. Many replies were injury or medically related. No one e-mailed anything negative about the way the competition is run.
- Club jackets. Marianne is going to get in touch with Pat Keller and see what she can do for us, since the other vendor hasn't gotten back with her.
- Ballet barres. Town Center has the ballet mirrors mounted at the rink, and they look good! Marianne is going to verify the barre length that Mindy wants, and get back with Rob to order.
- The meeting was adjourned at 10:20 a.m.
- Ginger sent out an e-mail the week following the board meeting, making a motion that the club purchase a full-page ad for the Eastern Sectionals program. Greg seconded. It was approved via the board Yahoo group unanimously.
