Georgia Figure Skating Club Minutes
10/17/11
Approved 11/12/11

Attending:

Vivian Heeden - President
Annette Florence - Treasurer
Julie Pierce - Secretary
Ginger Whatley - Test Chair
Jodi Morgan - Vice President, Town Center
Ling-Ling Gu - Member at Large
Elizabeth Isaacs - Member at Large

Approval of Minutes

A motion to approve minutes of the last meeting on September 24 was made by Annette, second by Jodi.

Since our last meeting, a discussion was held via email concerning reinstatement to the Club for Christina Jesperson. This motion was approved. A letter is being prepared granting Christina membership through the end of this fiscal year and it will be delivered to the Jespersons along with a meal next week.
Treasurer’s Report

The Treasurer’s Report was submitted by email. The main expenses this month were jackets. Annette will follow up with Al on the July test session invoice. A ms made by Julie and seconded by Jodi.

Rink Reports:

Duluth:

There was an exhibition on 10/14 for qualifying competitors going to Regionals. Sarah Castellano did a great job with a party for the girls. A good time was had by all.

Elizabeth is willing to plan a Holiday social, and perhaps a Halloween social.

Town Center:

Club Ice has been running 25 skaters. There was a compressor problem before Club Ice last week, but it was promptly repaired.

There is a challenge with painting the logo at the Town Center rink. There is not enough space on the wall. The monies paid for the logo at Town Center were applied to the logo painting at the Duluth rink.

There is a Halloween social on 10/27, and plans are under way for a Holiday social.

Membership:

There is no membership report this month.

Newsletter

Victoria Williams will be the featured skater in the next newsletter, scheduled for early November.

There is a challenge getting the results from the Magic City competition, as they do not appear to be posted online.

Other items to be included in the next newsletter are the ice scholarship and collegiate scholarship.

There is plenty of room in the newsletter for items that anyone might want included. Please have them to Julie no later than November 1, 2011.

Testing:
There is a test session for November in Duluth, and Ginger has already received 4 applications. Ginger and Moe working with the rink to set the testing dates through 2012. Once the dates are set, we hope to get them published via newsletter, email and with US Figure Skating.

Other Business:

National Skating Month: A general discussion was held about National Skating Month. Vivian will order one kit from US Figure Skating so the Club will have the information we need to collaborate with the rink. Julie to forward nsm skating month to Vivian and to Aren.

Regionals patches: A discussion was held about awarding patches for GaFSC members competing at Regionals this year. The girls seem to enjoy the patches, so we will award them again this year. Julie will ask for a quote from Monogram Mama for patches.

Banquet: The suggested date for the banquet is February 25, 2012.

Scholarships: Vivian is finishing up the college scholarship application and will distribute when it is completed.

Jackets: Kristel learned that we are not breaking even on jackets when ordered as a second jacket. We are short about $2.00 per jacket. At this time we will not raise the price, but will revisit the issue before membership enrollment next June.

With no further business, the meeting adjourned at 8pm.

Respectfully submitted,

Julie Pierce
